

Clues for SEVEN SISTERS

The three winning clues submitted on the night were:

3rd: **Eastbourne landmark wherein revelling Listener solvers and setters finally roll drunkenly out** [(LISTENER SOLVERS + (setter)S)* - ROLL*]

2nd: **Casting is stress, even for stars** [(IS STRESS EVEN)*]

1st: **Shakin' Stevens sires several stars** [(STEVENS SIRES)*]

Esprit d'escalier (great phrase!) certainly touched Piers Ruff on the way home (though the staircase here was a rail replacement bus), as he came up with this, which would have got my vote:

Restiveness unsettled Stokes, giving an edge against Sussex [(RESTIVENESS)* Stokes = S]
