Buses to and from Stableside and local pubs

All buses from the station leave from the stops opposite the front of the station, marked with the relevant routes. Bus stops are shown on the map as circles (in this case, purple). Bus stops display numbers you can text for up-to-date ETAs.

You can get any of: 12, 13, 4, or the double-decker Coastliners (840, 843).

All buses should have on-board announcements/displays of each stop.

There are three bus stops close together near Stableside and the local pubs. Slingsby Grove is the nearest to Stableside; St Edward's Church is also very near. The 12, 13, 840 and 843 stop at all of those on request. The 4 stops at the Marriott then turns right at the lights and stops round the corner in St Helen's Road.

When **travelling back** towards the station, get a bus at the stop by the Cross Keys.

Buses to and from Bishopthorpe

There are two options – the 11 or the 21, marked red and yellow on the map (see also map overleaf). Both leave from the stops opposite the station. The 21 route is rather more circuitous, as you see. Saturday timetables (actual times vary a bit) are:

Walking to Bishopthorpe from Stableside

It's about 2 miles door-to-door.

- 1 Turn right from Stableside into Tadcaster Road, then right again into Cherry Lane. With the Holiday Inn on your left, walk straight down to the end of Cherry Lane, through the car park and onto the racecourse.
- 2 Cross the racetrack and turn right onto the service road that runs inside the track. Follow the service road round to the south end of the racecourse (it's fine to cut across the grass, but it might be wet).
- 3 Cross back over the racetrack. There will be gaps in the railings, but you might have to duck under the top rail.

- 4 Turn left on the cycle/walking path. Follow the path up to towards Middlethorpe Hall, on Bishopthorpe Road.

- 5 Cross Bishopthorpe Road at this point and turn right. There's a bus stop (11 bus) if you've timed it right and want to ride the rest of the way.
- 6 Otherwise, follow the road past the crematorium, to Bishopthorpe. Be aware the pavement is very narrow along the side of the Archbishop's Palace grounds. Cross the road opposite the church, by the Palace entrance, and walk round to the pub.
